

No. BM- 134(1)/EE/SDL/2010

From: The Director

To
The Principal / Headmaster / Headmistress

Date: 02.07.2010.

Sir/Madam,

You are well aware that throughout the year we conduct various activities for students. You will agree with us that science teaching can be made more exciting if some experiments are performed during the lecture. This also gives the students a direct exposure to the methods of science. Keeping all these in our mind, we conduct **Science Demonstration Lecture (SDL)** where we explain a curricular topic of science through experiments as per following details:

Sl. No.	Topic	Class
01.	Electromagnetic Induction	IX to XII
02.	Chemical Reactions	VIII to X
03.	Acids, Bases and Salts	VIII to X
04.	Story of Atom	X to XII
05.	Properties of Liquid	VII & VIII
06.	Properties of Air	VII & VIII

The **SDL** helps the students to understand the topic easily. I would like to request you to send a group of students (Maximum 150 Nos. in a batch) to attend the SDL on any suitable topic.

To book the SDL kindly select the topic, date and time, (Time Slot: **10:30 a.m. to 11:30 a.m.** and **11:45 a.m. to 12:45 p.m.** daily except second Saturdays, Sundays and Holidays) and intimate us by sending the duly filled-in attached "**Intimation for SDL**" at least seven days before the commencement of the lecture.

For further information please feel free to contact us over telephone. Telephone Nos. are 2287 - 7241 / 7242 / 7243, 2289 - 2815, 2281 - 2654. **Enrolment Fee for any one lecture is Rs. 7/- per student.**

Thanking you,

Yours faithfully,
sd/-
(D. Ghosh)
Education Officer

Encl: Intimation For SDL.
