

No. BM- 134(1)/EE/SDL/2011

From: The Director

To
The Principal / Headmaster/Headmistress

Date: 04.07.2011.

Sir/Madam,

You will agree with us that science teaching can be made more exciting if some experiments are performed during the lecture. This also gives the students a direct exposure to the methods of science. With this in mind, we conduct **Science Demonstration Lectures (SDL)** where we explain a curricular topic of science through experiments. The following SDLs are now being offered:

Sl. No.	Topic	Class	Time slot
01.	Electromagnetic Induction	IX to XII	10:30 a.m. ~ 11:30 a.m. 11:45 a.m. ~ 12:45 p.m.
02.	Chemical Reactions	VIII to X	
03.	Acids, Bases and Salts	VIII to X	
04.	Story of Atom	X to XII	
05.	Properties of Liquid	VII & VIII	
06.	Properties of Air	VII & VIII	

I would request you to send a group of students (Maximum 150 nos. in a batch) to attend the SDL on any suitable topic.

To book the SDL kindly select the topic, date and time and intimate us by sending the duly filled-in attached **Form** at least seven days before the date of the SDL.

For further information please contact us over telephone: 2287 - 7241 / 7242 / 7243, 2289 - 2815, 2281 - 2654. **Enrolment Fee per Lecture: Rs. 7/- per student.**

Thanking you,

Yours faithfully,

(D. Ghosh)
Education Officer

Enclosed: Intimation Form for SDL
